At Kocher + Beck, we believe that delivering our quality products is the result of having the best team. Take this opportunity to join our growing business and contribute to a family-owned business known for its culture and top-quality products.

Position Type + Hours

This is a permanent full-time, non-exempt position. Core hours of work are Monday through Friday. Shifts are 6am-2pm and 2pm-10pm, 40 hours per week. Saturday hours are rotated amongst the entire department based on business need.

Job Description

An Etcher, as part of a team, is responsible for chemical etching metal plates. This role works in a wet environment, while wearing PPE gear, and ensures that each plate meets measurement thresholds before sending it to the next production department. The time the die spends in the machines will vary based on variance in measurement goals. Additionally, an Etcher will perform routine checks of our Wastewater and gradually learn to repair and maintain their machines. One will wear a company supplied shirt, pants, and shoes to preserve one's own personal attire.
